The google meet links for the spot admissions for the candidates ranked as per the shortlist **to be published at 10.30 AM on 20.11.2020** are as below. Because of the unprecedented participation in the spot admissions, candidates are urged to participate in the online meeting on Google meet instead of reporting in person to the college as the social distancing norms cannot be met in a physical meeting.

Under no circumstances will a candidate having rank outside the range of the KEAM rank specified in a particular category, be allowed to participate in the Google meet or be present at the college.**
